In order to train and sleep well
DAY AFTER DAY WITHOUT FAIL, I HAVE TO JOG, DO MUSCLE TRAINING
I do core training which leads to improvements in posture
Use ab rollers
BETA-CAROTENE
VITAMIN C
PROTEIN
I HAVE TO WATCH MY DIET
I receive a special menu from mama.
To keep a small face I have to train my mimetic muscles via facial yoga
Lymph massages
When going to and from school I have to get in walking practice
I HAVE TO DO ALL SORTS OF THINGS, UNLIKE THAT LOT WHO CAN ONLY TALK ABOUT HOW THEY WANT TO LOOK CUTE.
For pretty skin I have to be in bed by nine. After eight I can't watch TV use my phone etc.
